

10. Miscellaneous Recommendations

10.1 Student representation is essential to the overall development of students, and, therefore, it is recommended that university statutes should expressly provide for student representation.

10.2 Student representation should be regulated by statute (either a Central Statute, State Statute or individual university statutes), incorporating the recommendations prescribed herein.

10.3 The institution should organize leadership-training programs with the help of professional organizations so as to groom and instill in students leadership qualities.

10.4 In the event of the office of any major post of office bearers falling vacant within two months of elections, re-elections should be conducted; otherwise the Vice President may be promoted to be post of President and Joint Secretary to the post of Secretary, as the case may be."
